Oh Holy lineage masters bless us to realise the Masters instructions
May we be still like a mountain,
alert like a Royal guard on duty,
and at ease like a resting Lion.
In this state may we release into Tilopa's Dharma:
No Reflecting
No Thinking
No Speculation
No meditating
No Analysing
only resting in the nature of mind.

Through the supreme path of Mahamudra,
the Great Perfection itself,
may I awaken and guide all beings to bliss.
